Step into the past in Pompeii, a land eerily conserved in time. When Mount Vesuvius erupted in the 1st century AD, the city was covered in nearly 20 feet of ash, conserving its last tremulous moments. Excavations began in the 1700s but were not complete for centuries. In 1863, a technique was developed to use plaster into the spaces where bodies had decomposed – creating a near-perfect image of the victims. Explore this legendary UNESCO World Heritage Site with an expert guide and get a glimpse into what life was like in this prosperous ancient city.

**PLEASE NOTE:**

**Book Now rates valid until Nov 12, 2023, valid on air inclusive packages only. IDENTIFICATION**

Passports are required for this tour at your expense. Certain countries require that your passport be valid at least 6 months beyond the dates of your travel. You are strongly urged to contact the appropriate consulate for details. Visit [www.travel.state.gov](http://www.travel.state.gov) for the U.S. State Department for the latest details about passports and visa requirements.

**IMPORTANT:** We recommend that travelers take a photocopy of their passport and applicable visas. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.

*Effective for travel in 2024, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS visa waiver, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit <https://www.etiasvisa.com/>*

Please note that most shops and businesses in Italy and Switzerland are closed on Sundays and on national/religious holidays.

Single accommodations are limited and are available on a first come, first served basis.

When reserving single accommodations, be advised that single rooms in Italy are often smaller in size.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

\*\*\*Your visit to Murano Island may be substituted with a visit to a local glass factory in Venice in the event of inclement weather.

\*\*Your boat trip to Capri may not be available due to inclement weather. If this happens, we will make alternate sightseeing arrangements. In case the scenic boat ride around the Isle of Capri cannot operate, you will visit Anacapri village instead.

\*\*\*\*Isola Bella and the Borromeo Palace are open from April 1 to October 31. If you are travelling between November 1 and March 31, you will enjoy a scenic cruise of the Borromean Islands and a visit to Pallanza village instead.

\*Due to the unpredictable nature of the events schedule at the Vatican, on certain dates it may be necessary to visit the Vatican Museums at a different time. For example, when the Vatican option falls on a Wednesday, the order of included and optional tours may be reversed in order to participate in all activities for that day.

\*\*\*\*\*In the event of adverse weather conditions, the dinner at Isola dei Pescatori may be held at your hotel instead.

Please be advised that on occasion you may experience higher than average wait times for entering the Colosseum, the Vatican Museums, The Academy Gallery Museum and the Duomo.

All included museum visit dates and times are subject to change based on availability of reservations. Most national museums in Florence, including the Uffizi Gallery and the Academy, are closed on Mondays. If the Academy Museum is featured in your itinerary on a Monday, reservations will be made to visit the museum on an alternative day.

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of

time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas such as Rome, Pisa, Venice, Verona and Florence which requires minimum 2.5 miles of walking over flat but cobblestoned streets with narrow sidewalks. For your comfort, we recommend bringing walking shoes.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Air passengers will depart from Milan airport. All return transfers will depart from Stresa hotel for Milan airport.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

**A deposit of \$698 per person is due upon reservation. Reservations are made on a first come, first served basis. Reservations made after the deposit due date of November 05, 2023 are based upon availability. Final payment due by March 12, 2024. Deposits are refundable up until November 12, 2023.**

### Rome

#### The Vatican Museums and St. Peter's Basilica

**\$100 USD 05/14/2024**

The Vatican Museums are not only home to one of the world’s greatest collections of art, but also to the world-famous Sistine Chapel. Priceless artifacts from ancient Egypt, Etruscan Italy and cultures around the world are preserved in the Vatican’s palaces, galleries, halls and rooms. Follow a local expert guide on a three hour, in-depth visit through this vast collection. Highlights include the Gallery of Maps, the Gallery of Tapestries and, of course, a visit to the Sistine Chapel. The chapel’s famous ceiling frescoes took Michelangelo four years to complete. His brilliant Last Judgment, which rests on the altar wall, was a topic of controversy for centuries. Other walls feature paintings by Pietro Perugino, Sandro Botticelli, Cosimo Rosselli and Domenico Ghirlandaio. Your final stop will be at St. Peter’s Basilica, one of the most important churches in Christendom, and until recently, the largest in the world. Please note this option must be booked at least 90 days prior to departure and is not guaranteed while on tour. Due to the nature of this optional item, it is non-refundable. *Duration: Approximately 4 hours.* Please note a minimum of 15 passengers is required. Transportation is included.

## Trastevere Food Tour

**\$120 USD 05/14/2024**

Follow your expert guide on an engaging tour of Rome's more epicurean side. Your culinary journey takes place in the bohemian Trastevere district, where medieval architecture meets ivy-clung houses and the lively chatter from the many eateries sprinkled through the neighborhood echoes off the cobblestoned streets. Partake in the local tradition of aperitivo (pre-dinner drink) before tasting your way through Rome's most representative street food, such as suppli (fried rice ball) and pastas. Top off your culinary exploration with a taste of artisanal gelato and learn how to tell a good one from a factory-made, ensuring you never eat a bad one again! *Duration: Approximately 5 hours.* Please note a minimum of 6 passengers is required. Transportation is included.

**The overall activity level of this extension is a level 3.** This means walking and standing for longer periods of time (2-3 hours) isn't a big deal for you. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Walking four miles over a course of a day is very doable as is climbing 3 flights of stairs. You can handle altitudes between 6,000 and 9,000 feet. You can expect some longer days balanced with free time. This level is not a fit for travelers that require mobility assistance devices.
